ABOUT US

Poddar Foods Pvt. Ltd. is a leading manufacturer of a wide range of premium quality ingredients. The past 30 years of existence has seen the group evolve as a "Single Window" serving the spices and seasoning needs of customers in food industry. Poddar Spices is "FSSC 22000" certified. We follow all "HACCP" guidelines. This system is fully recognised by the Global Food Safety Initiative (GFSI). This quality and safety system is readily accepted by all the countries due to its strict quality and safety parameters.

The spices are processed ensuring maximum hygiene, fragrance and freshness with a processing capacity of 10000MT per annum at our state of the art ultra modern plant in Delhi NCR. The ingredients are processed with toughest quality control and assured quality.

The procedures are designed to cover every aspect from the sourcing of raw material to handling, cleaning, processing, packing and storage till the finished product is delivered to the market
